

## Request for a Fire Risk Assessment Quotation

Please provide the following information about you and your building and either email or fax back to GSA. We will provide a written quotation to you.

### Contact details

Name:

Company:

Address (including post code):

telephone:

fax:

email:

### About the building to be assessed

- The address of the premises (if different from your mailing address):
- What is the nature of your business, (shop, office, factory etc)?
- Is this building occupied with multiple tenants?
- What is the approximate floor area and number of floor of the premises your company occupies?
- Is this your first fire risk assessment at these premises?

### Want to know more?

If you have any questions prior to requesting a quote, or would like to know more about fire risk assessments, just provide your name, contact numbers and email address and we'll get in touch as soon as we can.
